2. How do you see these last chapters as they apply to the Church in 2020, especially in regard to the promises to overcomers? (see Rev 21:7)

3. What do you see as the need for Armageddon and last judgments if Christ defeated evil at the cross?

4. How important is our understanding of and witness to truth in these days?

5. How do you answer those who believe in universalism- all will be saved- in light of these chapters?
